

Ditch the cash, Pay by Bank

- ① Scan the QR Code above and follow the steps to Pay by Bank. **It's simple, secure and fast.**
- ② Securely link your bank account with Plaid and create your account.
- ③ Head to the register to checkout. That's it! Once you've registered, you're all set.

What is Pay by Bank?

Pay by Bank is a fast, cashless payment experience that is comparable to Venmo, Cash App, PayPal and others.

Because cashless payments can be challenging in the Cannabis Industry, your dispensary has elected to support your payment choice, safety and to provide a modern experience, by offering an option to Pay by Bank (a Dutchie Service powered by Plaid).

Register once, and use Pay by Bank anytime you are checking out.
