Pay by Bank Talk Tracks

Customer:
I'm not tech savvy!

Respond:
Pay by Bank is easy to use, open your phone's camera app & scan the code by my register and I'll help walk you through it.

Customer:
I just don't have the time to sign up today.

Respond:
No problem! I'll add a QR code to your bag & you can check out Pay by Bank on your schedule. It's free to use & will make your next visit even faster.

Customer:
Log in to my bank? I don't remember my password!

Respond:
Pay by Bank is powered by Plaid, used by Paypal and Venmo - you may already have an account! Either way, I'll add a QR code to your bag today so you can sign up at your own pace.

Customer: *I don't want to pay any more fees than I already am.*

Respond:
Pay by Bank is free to use, you don't have to worry about additional fees from the ATM & your bank.

Customer: *Does Pay by Bank keep my data safe & how is it more secure than cash?*

Respond:
Pay by Bank is powered by Plaid, the most trusted name in bank linking. We don't store or have access to banking info. Plus, less cash makes the store safer for everyone!
