## Pay by Bank

### Consumer Sign Up Flow

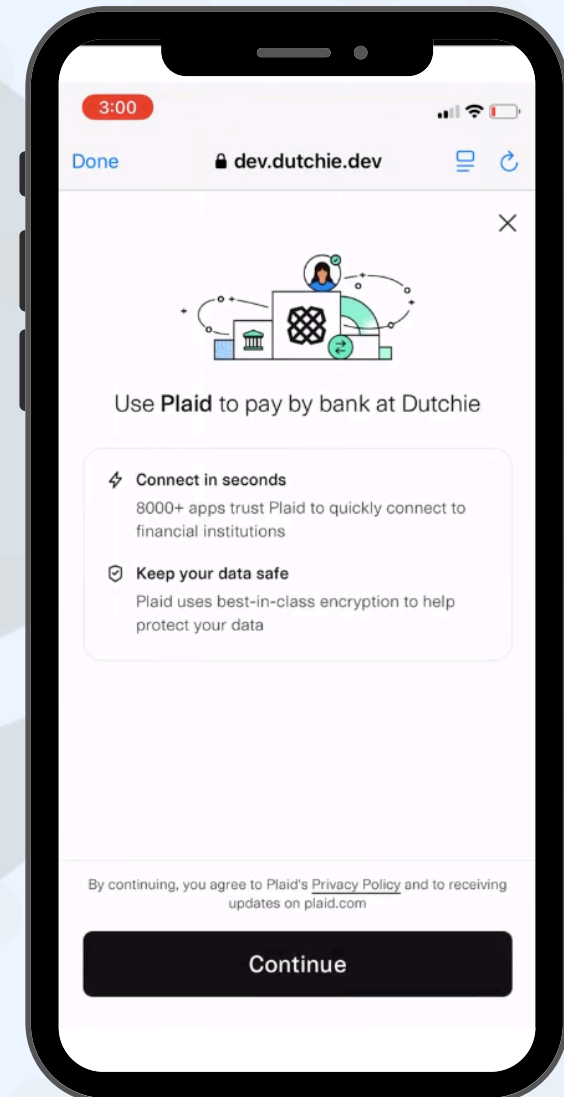

#### Step 1

Customer enters their email address or selects single sign-on option

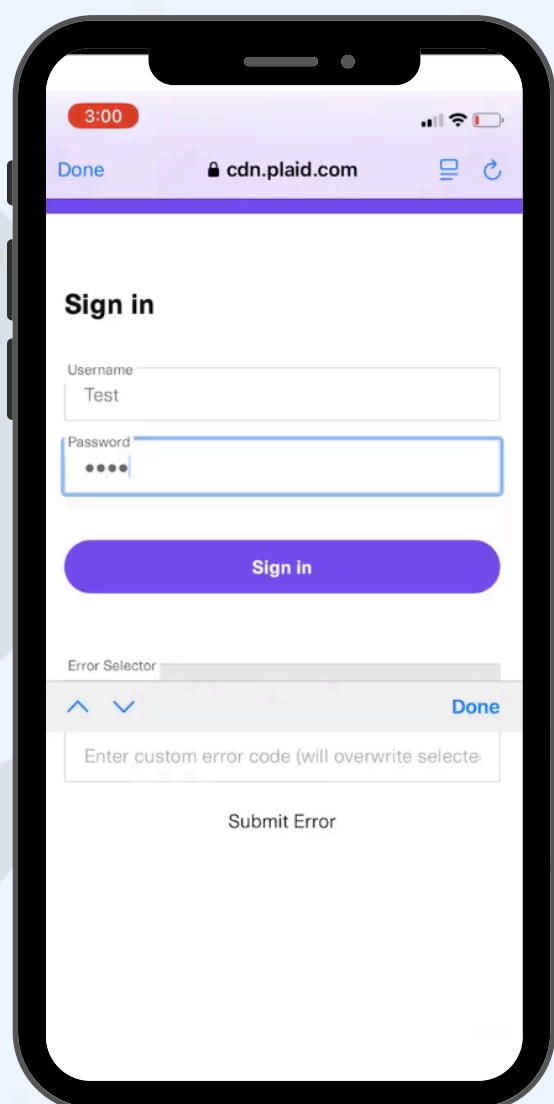

#### Step 2

Customer accepts Plaid notice and selects their bank. If their bank is not listed, it does not partner with Plaid

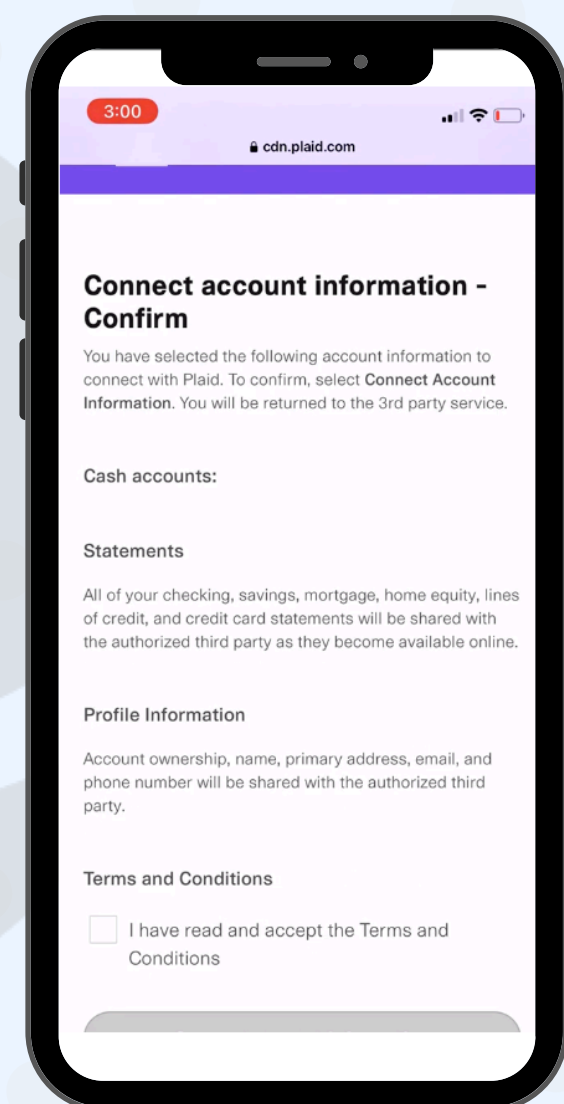

#### Step 3

Customer logs in to their bank via Plaid with their online banking credentials.

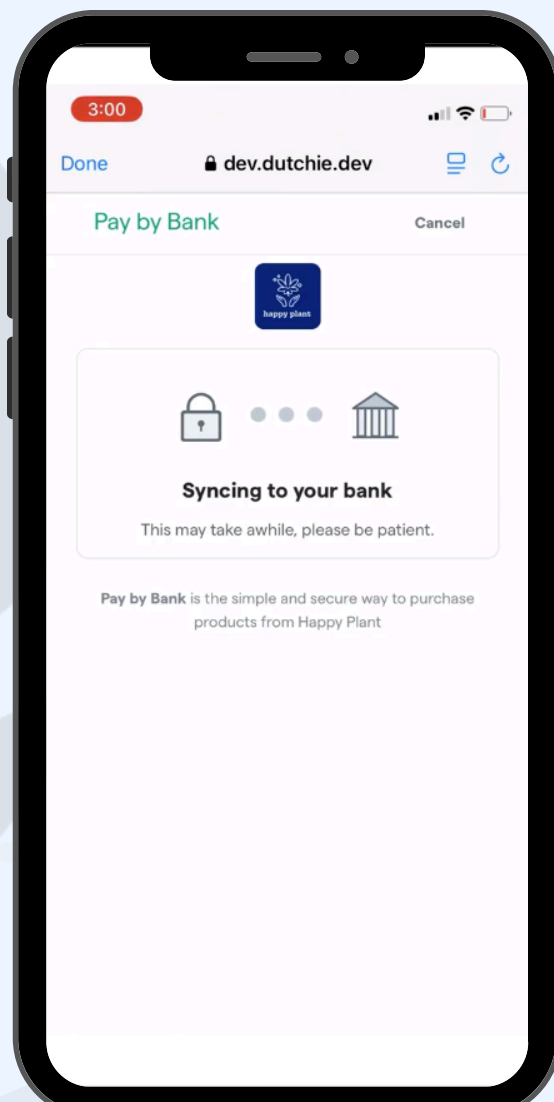

#### Step 4

Then customer will select which bank account to connect to their Pay by Bank account & agrees to the terms

#### Step 5

The selected bank account syncs to their Pay by Bank account & after agreeing to the terms they can complete their checkout.
