

dutchie Pay by Bank Processing on Dutchie Hub

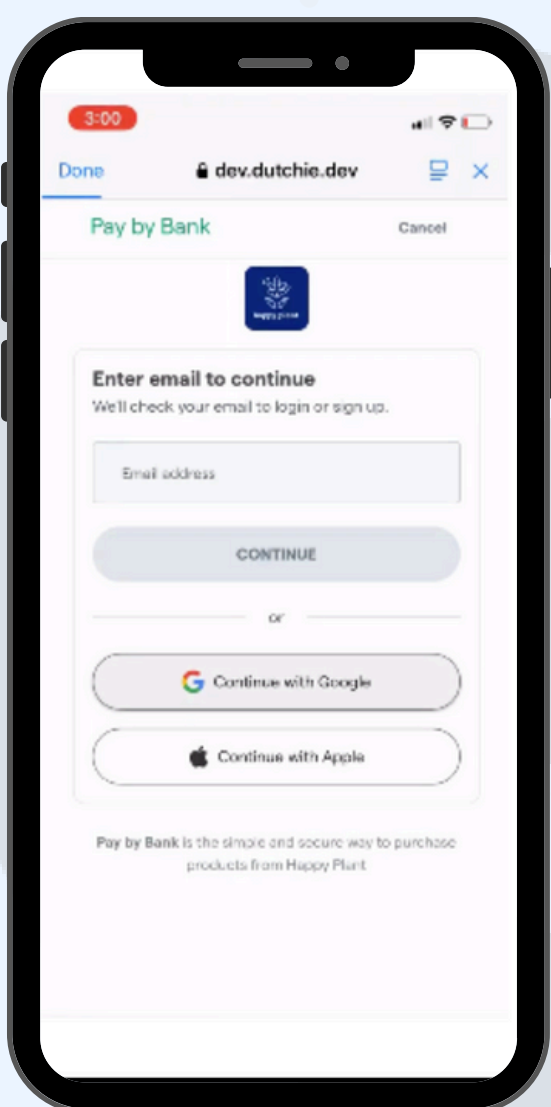

Step 1

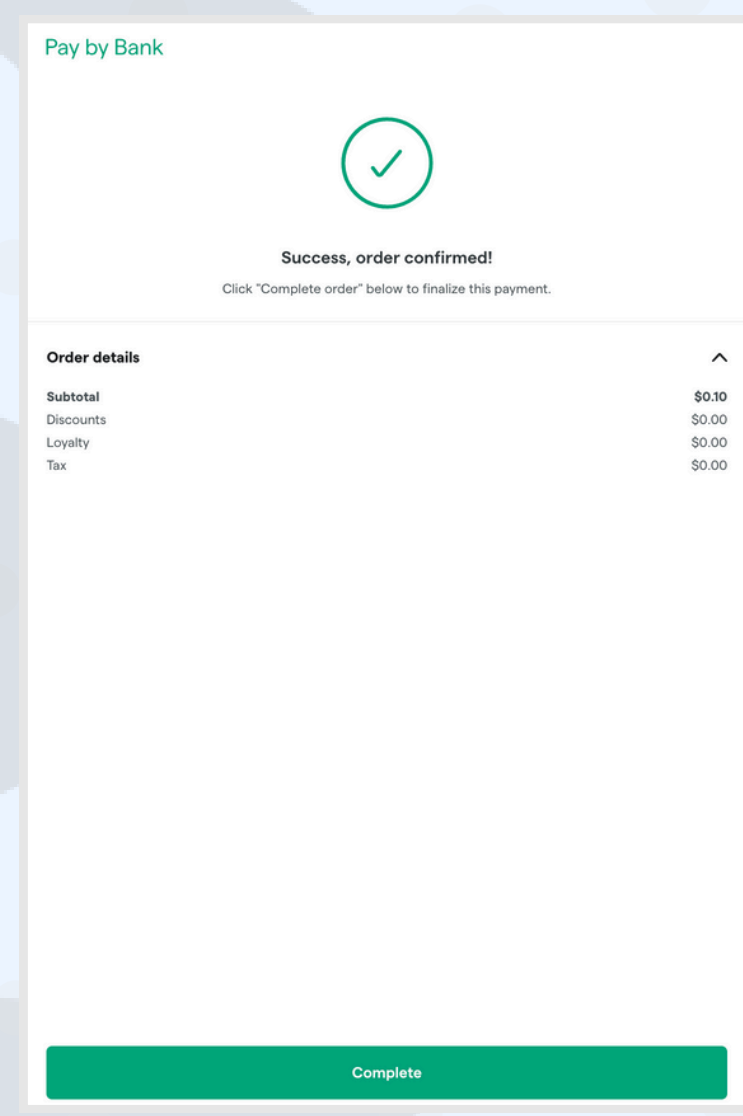

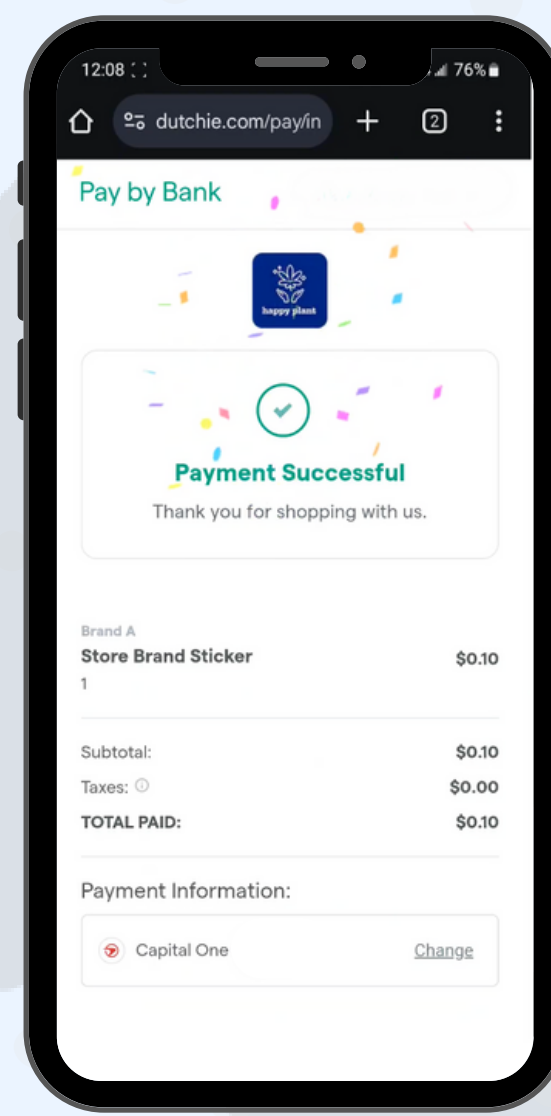

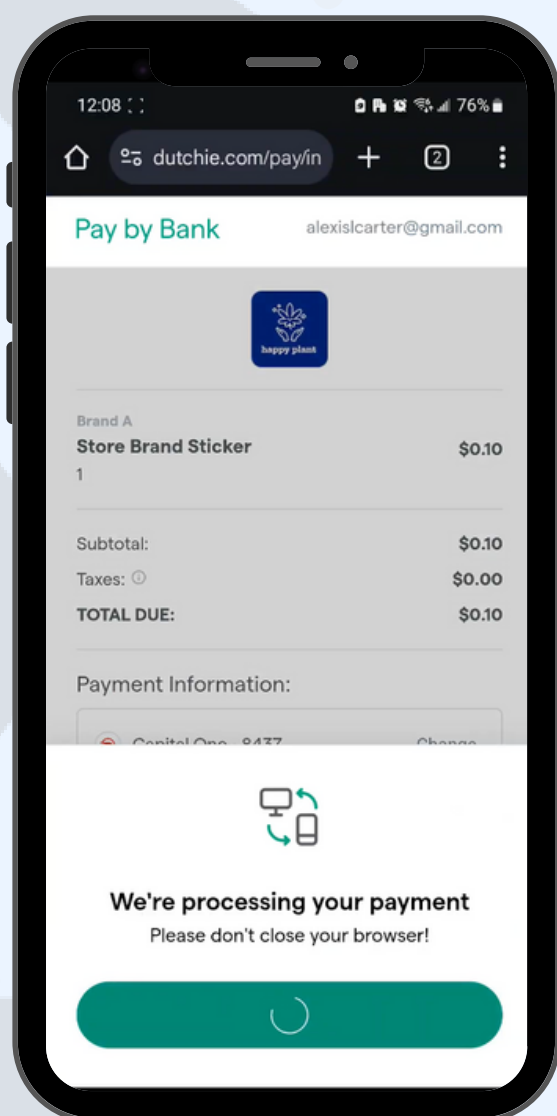

Step 2

Budtender will build the cart, tap checkout button & select Dutchie Hub payment type to send the payment to the Dutchie Hub Terminal.

Customer uses phone to scan QR code

Step 3

Step 4

Customers will sign up (new users) or log in (existing users) & will then see their order. If tipping is enabled, they can choose a tip & confirm payment.

If the balance check succeeds, customer will see a success message on their phone. At the POS, the budtender MUST tap the complete button to finalize payment.

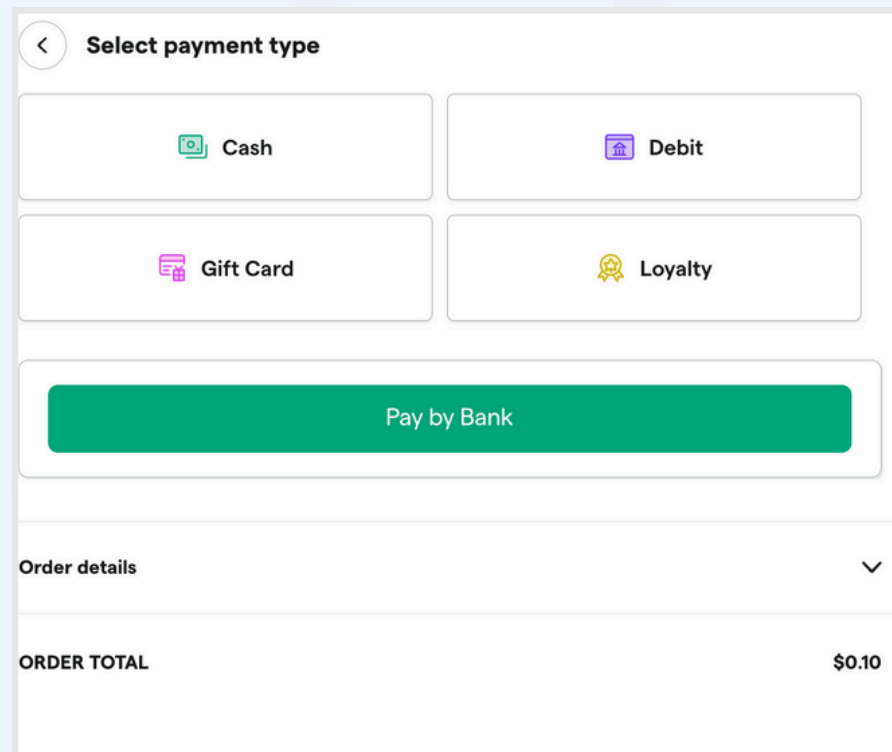

⚠️ Pay by Bank will run a **balance check - payment is not finalized** until completed at the POS.

🎉 Payment is complete!
*Customers will see funds deduct from their bank within 48 business hours.

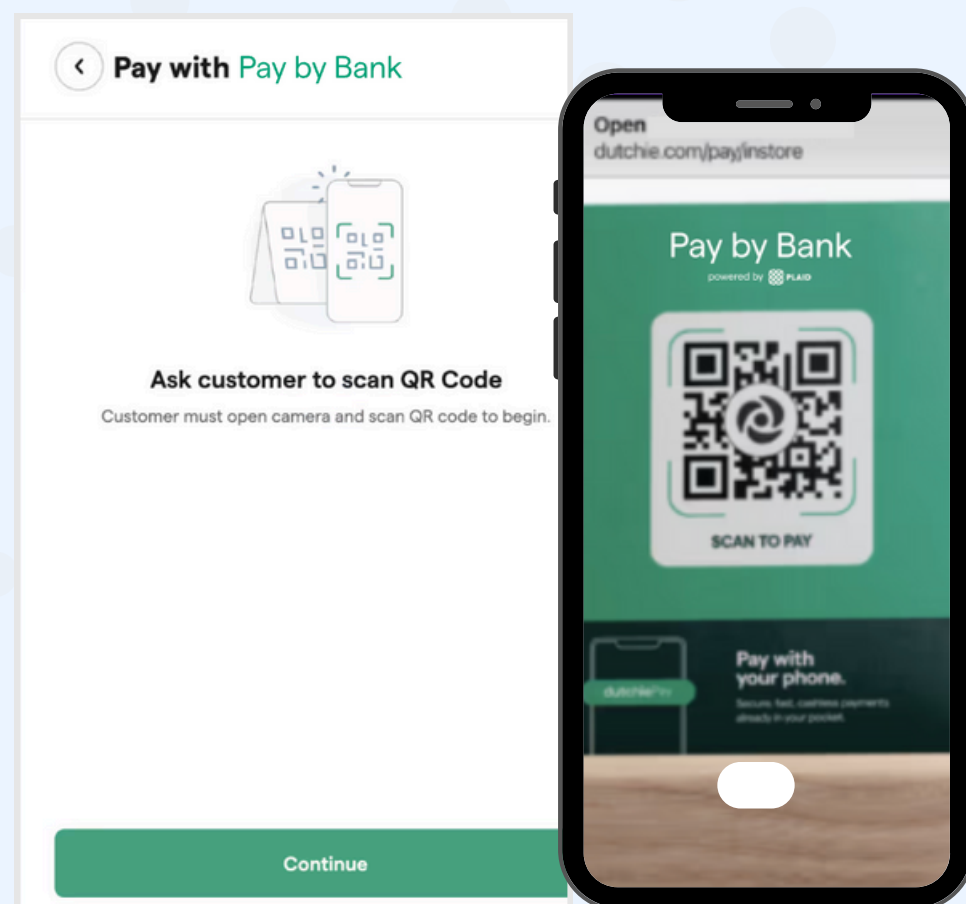

dutchie Pay by Bank

Processing with Legacy Integration

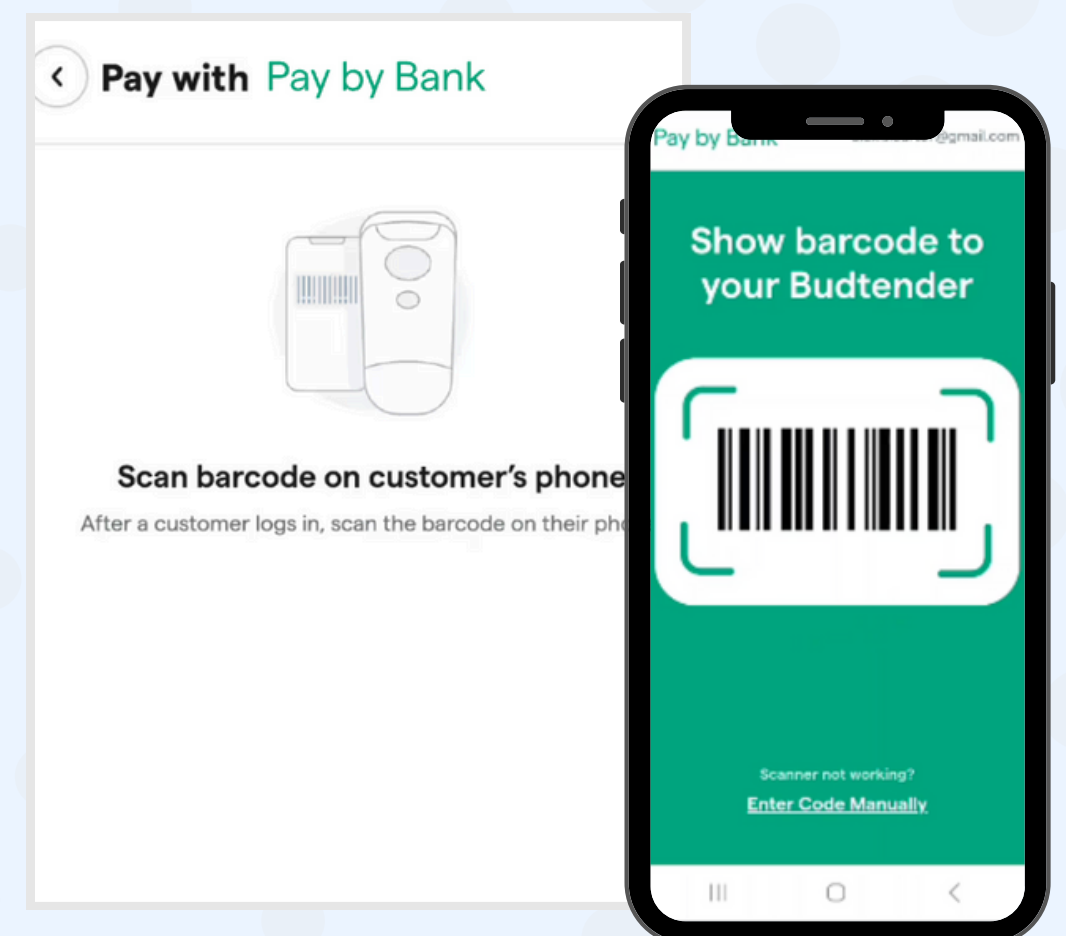

Step 1

Budtender builds the cart, taps checkout button, then selects Pay by Bank.

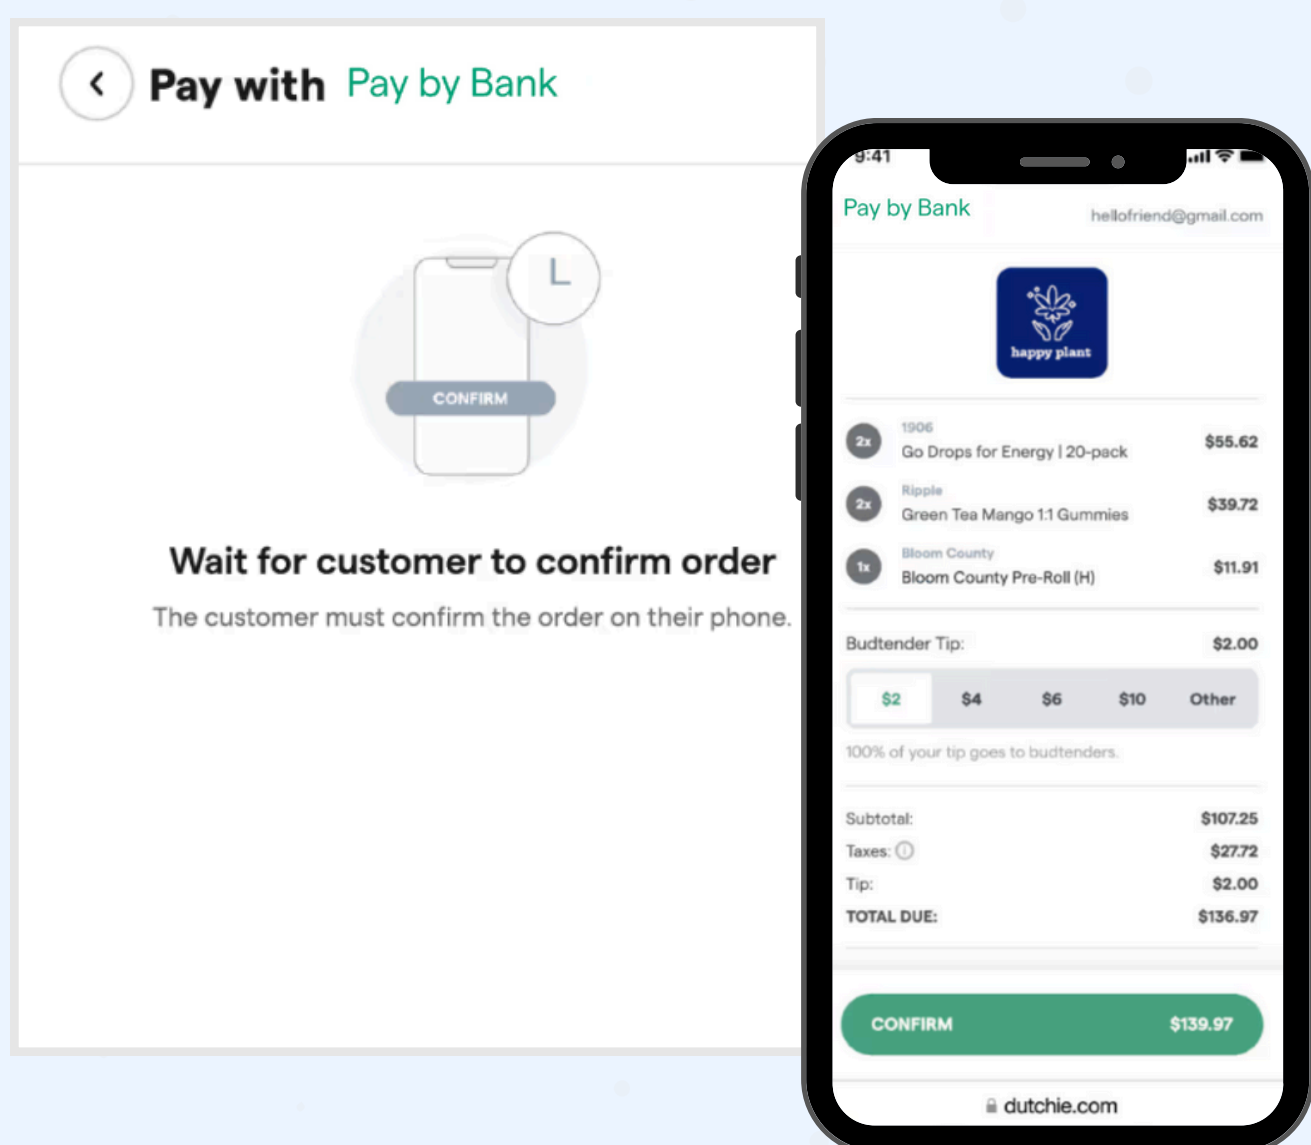

Step 2

Customer uses phone to scan QR code & will sign up (new users) or log in (existing users) to generate a barcode.

Step 3

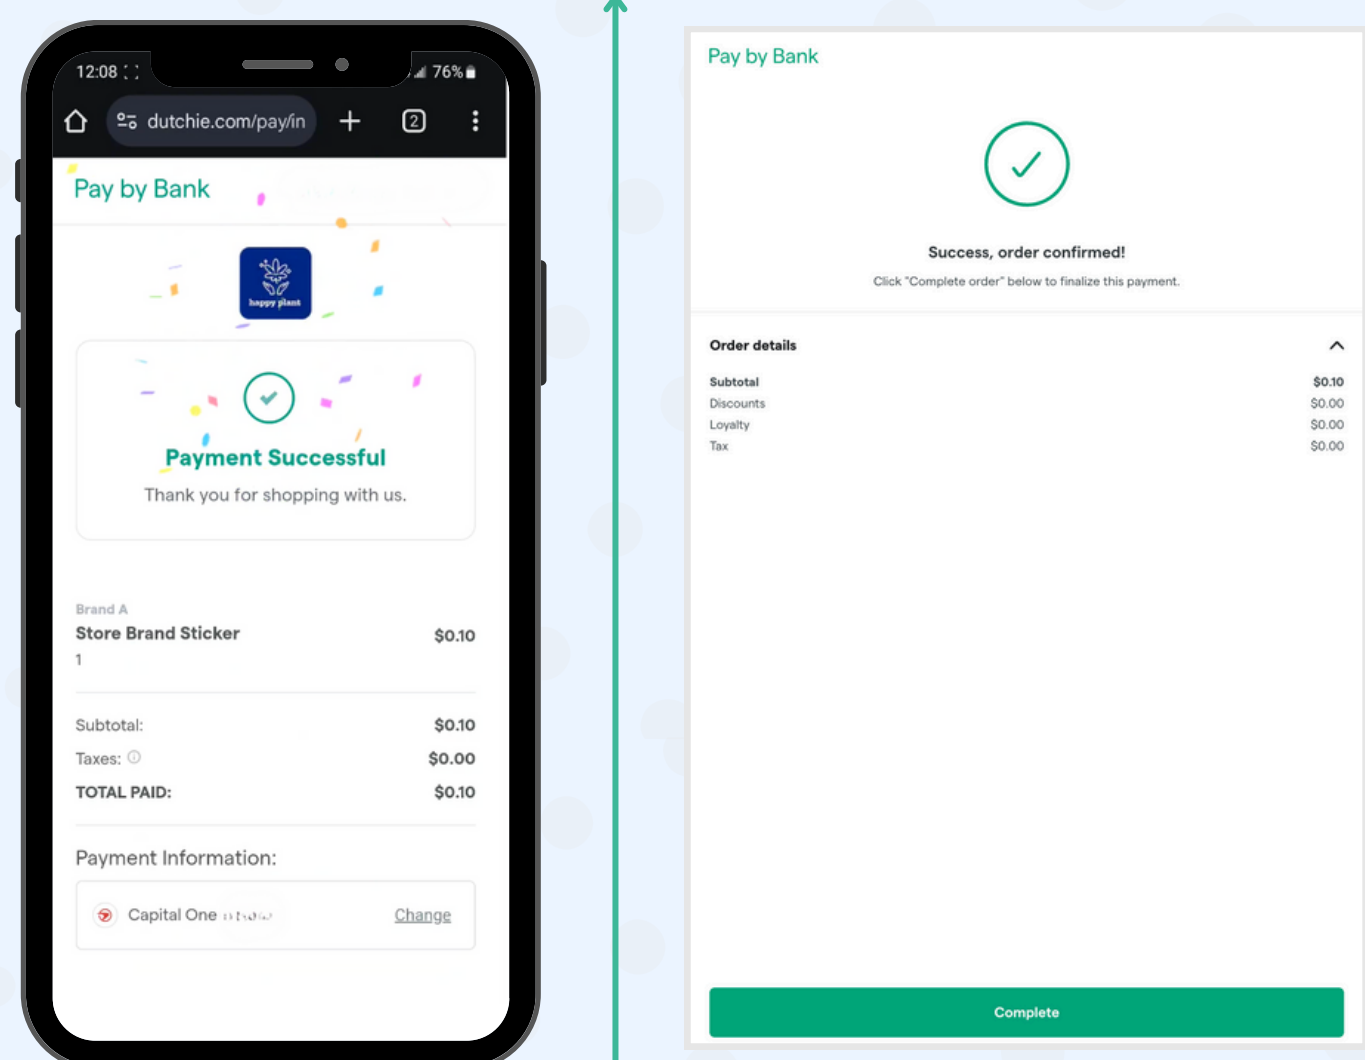

Budtender scans the barcode or enters manually (see bottom of both the POS screen & phone screen) to link the order to the user's Pay by Bank account.

Step 4

If tipping is enabled, customers can choose a tip & confirm payment.

⚠️ Pay by Bank will run a balance check - payment is not finalized until completed at the POS.

Step 5

If the balance check succeeds, customer will see a success message on their phone. At the POS, the budtender MUST tap the complete button to finalize payment.

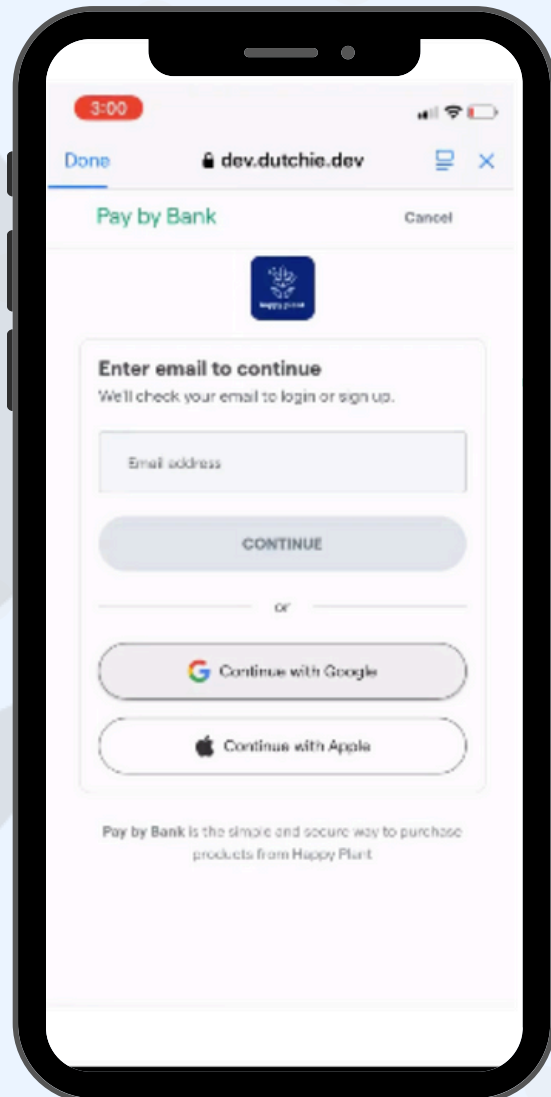

🎉 Payment is complete!*

*Customers will see funds deduct from their bank within 48 business hours.

dutchie Pay by Bank Consumer Sign Up Flow

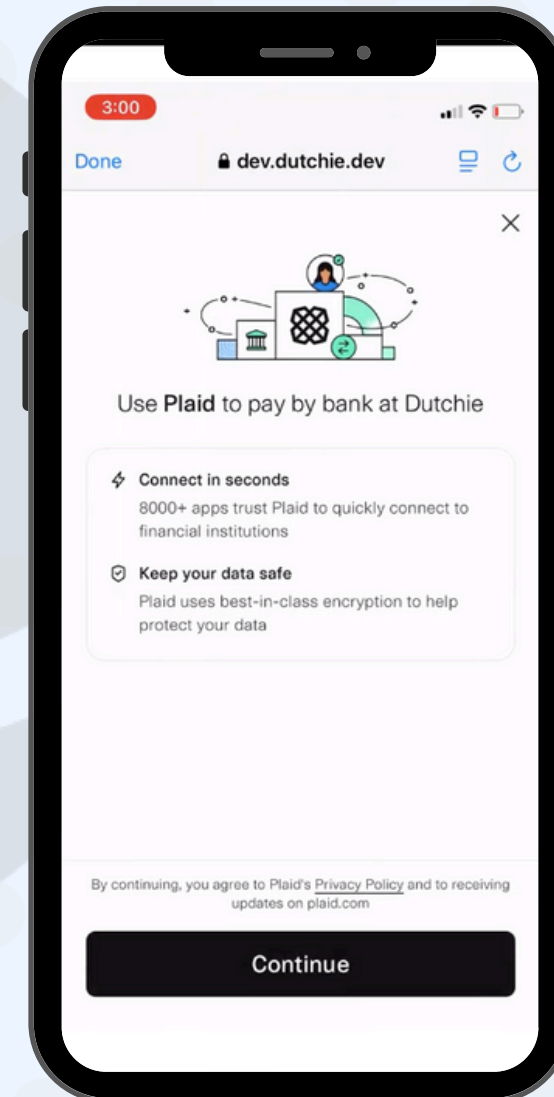

Step 1

Customer enters their email address or selects single sign-on option

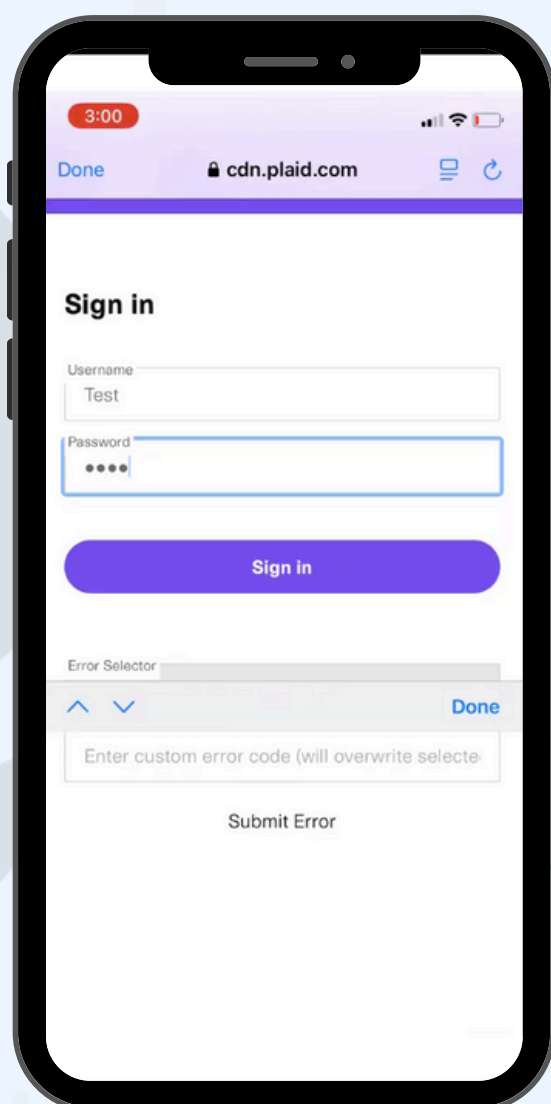

Step 2

Customer accepts Plaid notice and selects their bank. If their bank is not listed, it does not partner with Plaid

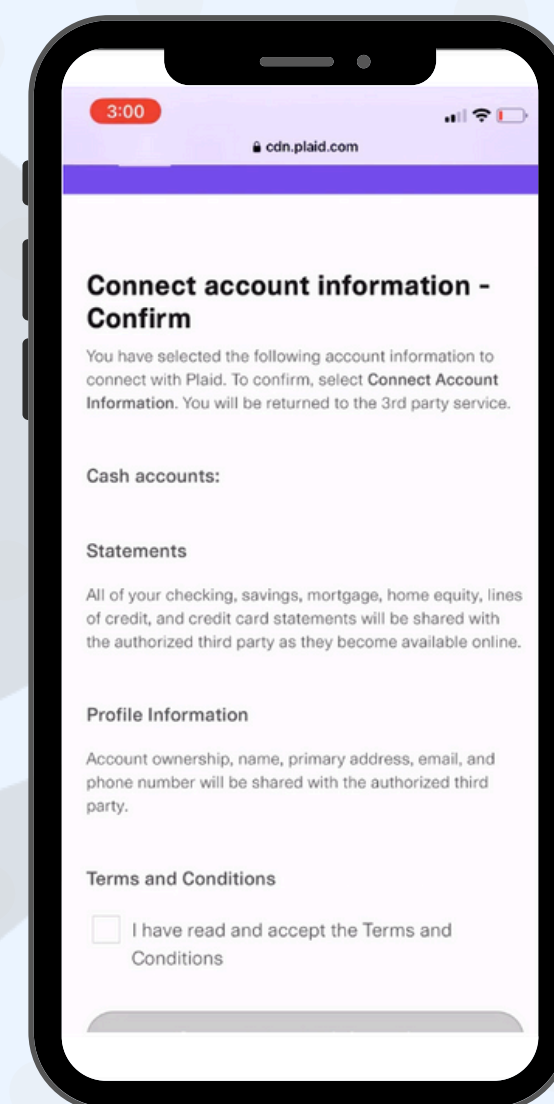

Step 3

Customer logs in to their bank via Plaid with their online banking credentials.

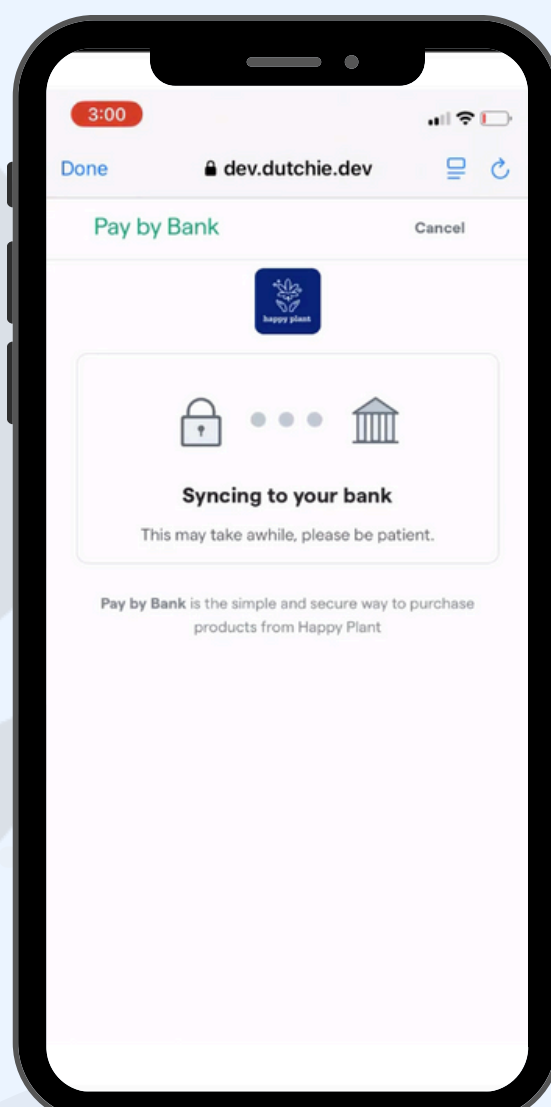

Step 4

Then customer will select which bank account to connect to their Pay by Bank account & agrees to the terms

Step 5

The selected bank account syncs to their Pay by Bank account & after agreeing to the terms they can complete their checkout.

Pay by Bank

Online Order for In-store Pickup

Step 1

Customer places online order for in-store pickup & selects Pay by Bank.

⚠️ **Balance check** is completed, customer is not charged until finalized at POS.

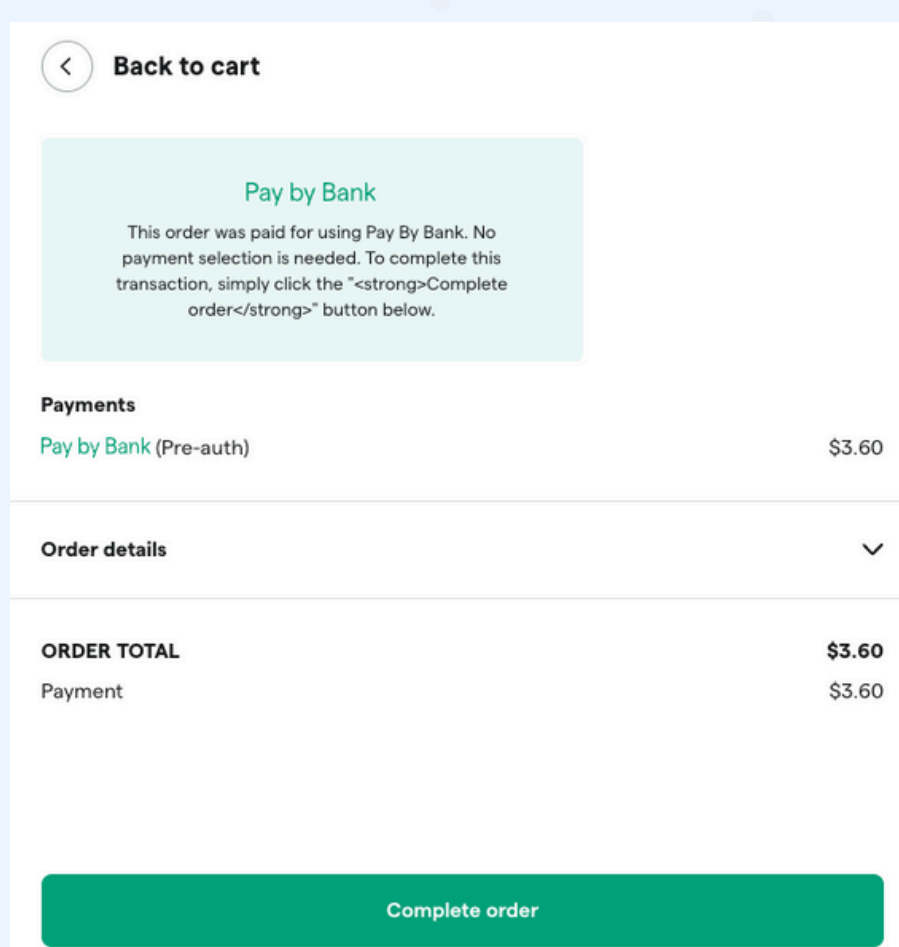

Step 2

POS Guestcard shows the pre-order with status, "Pay by Bank".
Budtender fulfills order & marks as ready for pick-up.

Step 3

Customer arrives at the store & budtender validates identity, reviews the order then selects Pay by Bank to checkout.

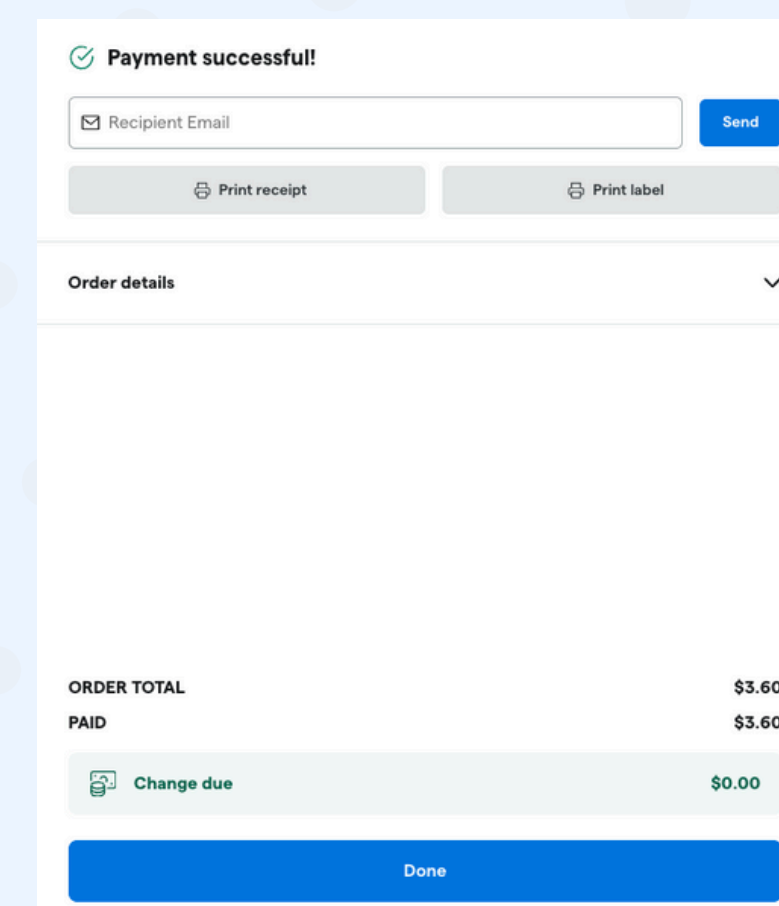

⚠️ The cart can be edited, items added, or removed before payment is finalized in the checkout panel.

Step 4

Then budtender selects Complete Order to finalize payment.

⚠️ Pay by Bank will run the final **balance check** & customers will see funds deduct from their bank within 48 business hours.

Step 5

Upon approval, the POS shows "Payment Successful" & the Done button closes the order.
If declined, a decline message displays & alternate payment is needed to complete order.

🎉 Payment is complete!*
